

## Named **Best Medical Group & Neighborhood Fave** in 2023

### Catch Up on Highlights from 2023

#### Welcome Back, Dr. Don! | JUL 2023

Edinger Medical Group internist, Dr. Karen Don, took a brief hiatus from patient care in 2022, but she's happy to be back and excited to resume her role as your Primary Care Provider.

#### Battling Hunger with Bracken's Kitchen | AUG 2023

The physicians of Edinger Medical Group spent an afternoon volunteering with Bracken's Kitchen – a nonprofit organization with a community feeding program that cooks and distributes fresh, healthy meals to local people in need. In addition to volunteering their time, Edinger Medical Group contributed a monetary donation to propel the nonprofit group towards its goal to reach more individuals and families facing hunger.

#### Saving Lives with MemorialCare | NOV 2023

Edinger Medical Group hosted a blood drive with MemorialCare to benefit patients hospitalized at Orange Coast Medical Center. With the help of patients, physicians and staff, a total of 23 units of blood were collected. "This is a phenomenal result for a blood drive and one of our best on record. [Edinger] staff is wonderful and made it such a pleasant and uplifting experience for us all. We are grateful!" stated Christine Draper, Program Support Representative at MemorialCare.
